

GRAND POWER M4M

The GP M4M is a robust, reliable, short stroke piston operated, select fire rifle chambered in popular 5,56x45 NATO calibre.

M4 platform offers wide range of accessories and significant modularity options. Robust and reliable design made of top-quality materials, using most advanced technologies and state of the art tools. Popular classic features are accompanied by modern additions, such as free-floated handguard with M-LOK slots and accessory rails for accessories. GRAND POWER proprietary grip offers maximum comfort and secure grip in any conditions. Multi-position collapsible stock offers length of pull adjustments. Optional GP muzzle device increases controllability of the weapon, especially in fully automatic mode.

GP M4M rifle is compatible with regular M4/AR-15 magazines and is equipped with case deflector, dust cover and forward assist. Version with ambidextrous controls is also available on demand. The M4M is a short stroke system operated rifle available in several length variants, with barrel lengths of 11", 14,5", 16,5", 18" and 20".

Further accessories, such as suppressors, bayonets etc are available upon request. All specifications are approximate and can be subject to change unless specified in contract or purchase order.

Version	Barrel length	Overall length (11")	Width	Weight (11")	Height
GP M4M	11"/14,5"/16,5"	719/802mm	69mm	2950g	187mm
